

HARTSTENE POINTE WATER SEWER DISTRICT

AN AMENDMENT

PURPOSE, TO AMEND RESOLUTION 2013-04

1. Change Section 5b to read:

“The District has the authority to require back payment of up to 72 months of monthly service payments. ~~The General Manager may authorize a waiver of the full 36 months of back payments of the monthly service fee if in the General Manager’s opinion that extenuating circumstances provide for such a waiver. Economic hardship of the rate payer and the property owner not knowing that the property was illegally connected to the sewer system are examples of the extenuating circumstances.”~~

2. Change Section 5c to read:

“The General Manager or designated representative, is authorized to negotiate a payment plan for the payment of applicable fees, charges and/or monthly service payments that are due as a result of illegal water/sewer connections **or uncollected charges and/or fees.**”

ADOPTED, by the Board of Commissioners of Hartstene Pointe Water and Sewer District, at a regularly scheduled meeting, August 28, 2014.
